Intro 2x
                                            My head's under water
Em C G D
                                          But I'm breathing fine
                                              G
                                          You're crazy and I'm out of my mind
What would I do
                                          Chorus
Without your smart mouth
                                             G 2x
          D
                                          'Cause all of me
Drawing me in, and you kicking me out
Em C
                                            Em 2x
Got my head spinning
                                          Loves all of you
                    Em
G
   D
                                             Am 2x
No kidding, I can't pin you down
                                          Love your curves and all your edges
     C
                                                D 2x
What's going on in that beautiful mind
                                          All your perfect imperfections
          D
                                             G 2x
I'm on your magical mystery ride
      C
                                          Give your all to me
And I'm so dizzy
                                                Em 2x
                                          I'll give my all to you
      G
Don't know what hit me
                                               Am 2x
                                          You're my end and my beginning
But I'll be alright
                                           D 2x
                                          Even when I lose I'm winning
Prechorus
                                                         Em C
                                                                 G D
Am 2x
                                          'Cause I give you all of me
```

```
I'll give my all to you
And you give me all of you, all
