

Can't Stop Guitar Tabs

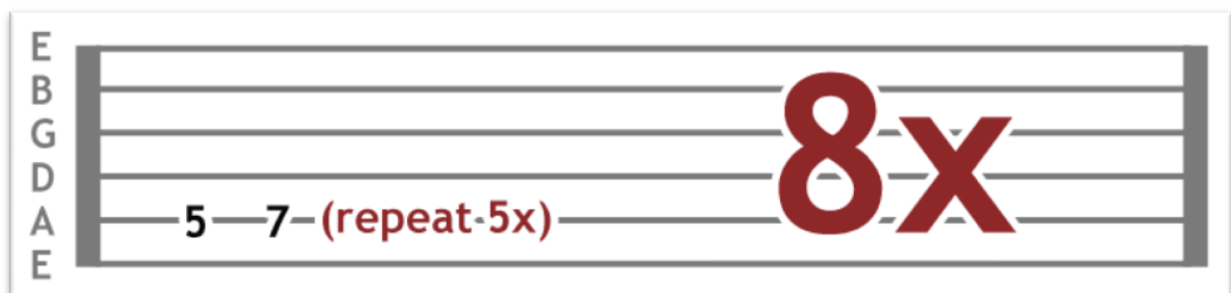

Hi, hope you enjoyed the video, Can't Stop is a really cool song to learn and it's loads of fun to play.

Due to the number of skills you'll be using during this song, I have to say that it is intermediate in difficulty, so if you're just starting out on the guitar, this might be a bit challenging for you. But, if you are somewhat comfortable with barre chords and basic lead guitar techniques, than this is a must learn song!
