

Hallelujah (Shrek) Guitar Tabs and Chords

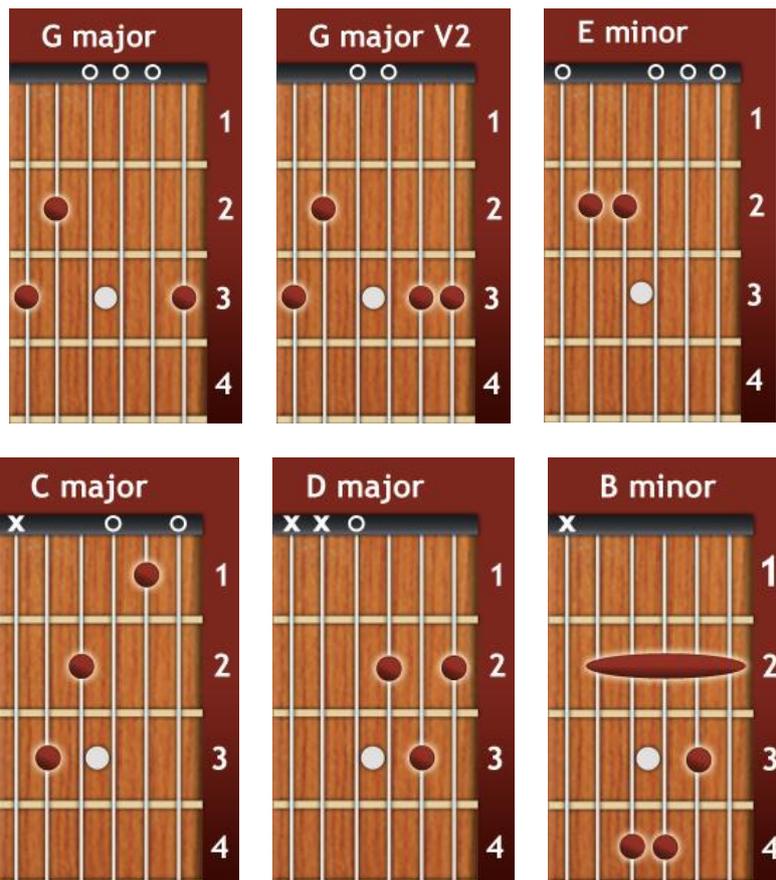

Hi, hope you enjoyed the video, and noticed the change of our usual logo during the song's demonstration at the beginning of the lesson ☺ This is a rather simple one to learn, keep in mind that to play it in key, you'll need to place a capo to fret number 5, which transposes all of the notes you play up by 5 semitones.

If you missed the video guitar lesson, make sure you watch it here:
