Polly Guitar Tabs and Chords

Hi, hope you enjoyed the video, it's a short one, but don't take it lightly. The point of learning this song is so that you can play along with the entire original track, which will really develop your sense of rhythm and timing (not to mention your fretting hand muscles, since holding power chords non-stop is quite a feat in itself).

If you missed the video guitar lesson, make sure you watch it here:
